

Curriculum Vitae

Personal information

First name(s) / Surname(s) **Liljana Hadjievska-Antovska**
Address(es) Bul. Ilinden 5/9, 1000 Skopje, Republic of Macedonia
Telephone(s) +389 75 444 621 Mobile: +389 75 21 26 29
Fax(es)
E-mail liljana.hadzievska@gmail.com
Nationality Macedonian
Date of birth December 14, 1974
Gender female

Work experience

Dates November 2008 - Present
Occupation or position held Head of Electrotechnical standards unit, Standardistaion department
Main activities and responsibilities

- Performing activities as Secretary of the National Committee of the RM – ISRM in the International Electrotechnical Commission – IEC;
- Performing activities in reference to the European Committee for Electrotechnical Standardization – CENELEC;
- Performing activities in reference to the European Telecommunications Standards Institute – ETSI;
- Performing activities concerning the harmonized standards analysis referenced in the New Approach Directives, regarding electrical engineering and telecommunications:
 - 2006/95/EC Low Voltage Equipment
 - 2004/108/EC Electromagnetic compatibility
 - 94/9/EC Equipment and Protective Systems in Potentially Explosive Atmospheres
 - 99/5/EC Radio and telecommunications terminal equipment
 - 94/25/EC Recreational craft
 - 2010/30/EU, 2009/125/EC Ecodesign and energy labeling
- Managing and coordinating ISRM technical committees for preparation of macedonian standards and other standardization documents regarding electrical engineering, electronic communications and information and communication technologies:
 - ISRSM TC 1 - Electrical apparatus for explosive atmospheres
 - ISRSM TC 2 - Electronic communications
 - ISRSM TC 2 - Low voltage equipment and electric cables
 - ISRSM TC 31 - Electrical lighting
 - ISRSM TC 32 - Electric power and installations
 - ISRSM TC 34 – Information and communication technologies,
 - ISRSM TC 48 – Intelligent transport systems
- Active participation within the working group for the ITS Strategy in Republic of N. Macedonia;
- Active participation in the work of: CLC/ TC 17B, CLC/TC 57, CEN/TC 169, CEN/TC 224, IEC/TC 57 and ISO/IEC JTC 1/SC 7; ISO/IEC JTC 1/SC 27, ISO/IEC JTC 1/SC 42;

	<ul style="list-style-type: none"> - Managing and coordinating preparation of macedonian standards and other standardization documents regarding electrical engineering and electronic communications and information and communication technologies, whereby no ISRM Technical Committees exist; - Performing activities concerning the technical working bodies of the international and European organizations for standardization regarding electrical engineering; - Permanent delegate in the CENELEC Technical Board (CLC/BT); - Preparation of expert analysis and basis for the annual ISRM Work Programme and annual ISRM Report and annual Programme for adoption of Macedonian standards and other standardization documents; - Participation in IPA 2008 Project as a Technical Implementation Officer under the IPA Component I – Institution Building and Transition Assistance; - Participation in IPA 2011 Project as a Programming Officer under the IPA Component I – Institution Building and Transition Assistance; - Carrying out the obligations arising from full membership in CEN/CENELEC.
Name and address of employer	ISRSM - Standardization Institute of the Republic of N. Macedonia Jurij Gagarin 15, 1000 Skopje, Republic of Macedonia
Type of business or sector	public institution
Dates	August 2006 - October 2008
Occupation or position held	Adviser for standardization in the area of electrical engineering and informatics
Main activities and responsibilities	<ul style="list-style-type: none"> - Performing activities as Secretary of the National Committee of the RM – ISRM in the International Electrotechnical Commission – IEC, - Performing activities in reference to the European Committee for Electrotechnical Standardization – CENELEC, - Performing preparation activities for cooperation with and activities in reference to the European Telecommunications Standards Institute – ETSI, - Preparation of the ISRM website, - Performing activities concerning the harmonized standards analysis referenced in the New Approach Directives, regarding electrical engineering and telecommunications: <ul style="list-style-type: none"> - 2006/95/EC Low Voltage Equipment - 2004/108/EC Electromagnetic compatibility - 94/9/EC Equipment and Protective Systems in Potentially Explosive Atmospheres - 99/5/EC Radio and telecommunications terminal equipment - 94/25/EC Recreational craft - Managing and coordinating ISRM technical committees for preparation of macedonian standards and other standardization documents regarding electrical engineering and electronic communications: <ul style="list-style-type: none"> - ISRM TC 1 - Electrical apparatus for explosive atmospheres - ISRM TC 2 – Electronic communications - ISRM TC 20 – Electric cables - ISRM TC 21- Low voltage equipment - ISRM TC 31 - Electrical lighting - ISRM TC 32- Electric power and installations, - Performing activities concerning the technical working bodies of the international and European organizations for standardization regarding electrical engineering, - Preparation of expert analysis and basis for the annual ISRM Work Programme and annual ISRM Report and annual Programme for adoption of Macedonian standards and other standardization documents,

	- Participation in World Bank and European Commission Projects, regarding the technical assistance, procurement procedures.
Name and address of employer	ISRM - Standardization Institute of the Republic of Macedonia Vasil Glavinov br. 8, block 10, mezanin, 1000 Skopje, Republic of Macedonia
Type of business or sector	public institution
Dates	June 2005 - August 2006
Occupation or position held	Associate in the field of electrical engineering and informatics, under Agreement
Main activities and responsibilities	Tasks and activities related to standardization in the field of electrical engineering and informatics, policy and structure standardization
Name and address of employer	ISRM - Standardization Institute of the Republic of Macedonia Vasil Glavinov br. 8, block 10, mezanin, 1000 Skopje, Republic of Macedonia
Type of business or sector	public institution
Dates	August 2004 - June 2005
Occupation or position held	Project Assistant
Main activities and responsibilities	- Technical assistance of the Project Coordination Unit - Procurement and Disbursement Process under the World Bank Procedures
Name and address of employer	World Bank Project, Coordinator of the Project Coordination Unit: Prof. d-r Rubin Taleski, FEIT - Skopje Zeleznicka bb, baraka 2, 1000 Skopje, Republic of Macedonia
Type of business or sector	World Bank Project: Macedonia Sustainable Energy Program under Ministry of Economy of Republic of Macedonia
Dates	December 2002 – August 2004
Occupation or position held	Technical secretary
Main activities and responsibilities	Technical secretary, Preparation of monthly information paper <i>InfoMACEF</i>
Name and address of employer	NGO: “Macedonian Center for Energy Efficiency” – MACEF Nikola Parapunov 3a-52/1, 1000 Skopje, Republic of Macedonia
Type of business or sector	NGO
Dates	March 2002 – December 2003
Occupation or position held	Project Assistant
Main activities and responsibilities	Project Assistant
Name and address of employer	RENEUER Project, Project coordinator: Prof. d-r Konstantin Dimitrov, MFS – Skopje, Karpos 2, bb, 1000 Skopje, Republic of Macedonia
Type of business or sector	RENEUER Project: Regional Network for Efficient Use of Energy and Water Resources
Dates	June 2001 - October 2001
Occupation or position held	Operative engineer
Main activities and responsibilities	Fiber Optics
Name and address of employer	KONSULTA 1000 Skopje, Republic of Macedonia
Type of business or sector	Private company

Dates	2000 - 2001
Occupation or position held	Design Engineer
Main activities and responsibilities	Design and performance of electrical installations - electrical lighting Design of electrical installations using CorelDraw
Name and address of employer	LIRA, 1000 Skopje, Republic of Mecdonia
Type of business or sector	Private company

Education and training

Dates	2018/2019-2021
Title of qualification awarded	
Principal subjects/occupational skills covered	Master of technical sciences Quality Management
Name and type of organisation providing education and training	St. Cyril and Methodius University Faculty of Technology and Metallurgy, Skopje
Level in national or international classification	Master degree

Dates	1993-1999
Title of qualification awarded	B.Sc.El.Eng.
Principal subjects/occupational skills covered	Electro energetic
Name and type of organisation providing education and training	St. Cyril and Methodius University Faculty of Electrical Engineering, Skopje
Level in national or international classification	Bachelor degree

Dates	1989-1993
Title of qualification awarded	informatics technician
Principal subjects/occupational skills covered	informatics technician
Name and type of organisation providing education and training	“Rade Jovčevski - Korčagin” High School, Skopje
Level in national or international classification	Graduated as informatics technician

Dates	October, 2003
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Energy efficiency and municipality costs
Name and type of organisation providing education and training	Alliance to Save Energy, U.S.A. Macedonian Center for Energy Efficiency - MACEF
Level in national or	Workshop

international classification	
Dates	13 – 15 April, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Sustainable Finance: Competitive Business Advantage
Name and type of organisation providing education and training	Southeast Europe Enterprise Development – SEED International Finance Corporation – IFC
Level in national or international classification	Workshop
Dates	9 – 12 May, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	The Macedonian National Standard (MKS) Development Process
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	24 – 27 May, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Project Leader Training and Use of Electronic Templates Workshop
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	6 - 8 June, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Effective Business/industry participation in Standards Development: Strategies for Success
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	21 – 24 June, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Secretariat Operation: Taking the secret out of the Secretariat
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component

Level in national or international classification	Training course
Dates	27 June –1 July, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Computer Programmes for Standardisation Activities
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	5 – 8 July, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Application and Enforcement of Technical Standards and norms in the liberalized trade
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	12 – 15 July, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Communicating and Influencing people without authority
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	18 – 19 July, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Electronic Tools for Standards Development
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	20 – 22 July, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Standardisation Project Management
Name and type of organisation providing education and	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for

training	Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	25 – 27 July, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Leadership training: Managing standards activities effectively
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	28 – 29 July, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Technical and Normative Review of ISRM draft standards
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia - ISRM SMAQVa Project - "Technical Assistance to the Institutes for Standardization, Accreditation, Metrology and Quality Validation" – standardization training component
Level in national or international classification	Training course
Dates	14 – 18 November, 2005
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Development of common software for the creation of standards databases
Name and type of organisation providing education and training	CARDS 2002 – Regional Quality Infrastructure Project, regional hands-on training, HOT 3 ON Austrian Standards Institute
Level in national or international classification	Workshop
Dates	24 – 25 January, 2006
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Developing a standardization strategy to ensure and encourage the involvement of all stakeholders
Name and type of organisation providing education and training	CARDS 2002 – Regional Quality Infrastructure Project, regional hands-on training, HOT 5 Standardization Institute of the Republic of Macedonia – ISRM
Level in national or international classification	Workshop
Dates	3 April, 2006
Title of qualification awarded	/
Principal subjects/occupational skills covered	Tenth Awareness-Raising Event: Co-operation amongst national standards bodies - achieving full membership of CEN and CENELEC and the steps taken to fulfil the nine conditions

Name and type of organisation providing education and training	CARDS 2002 – Regional Quality Infrastructure Project, ARE 10 Standardization Institute of the Republic of Macedonia – ISRM
Level in national or international classification	Seminar
Dates	25 – 27 April, 2006
Title of qualification awarded	/
Principal subjects/occupational skills covered	EU introduction
Name and type of organisation providing education and training	Secretariat for European Affairs, Government of the Republic of Macedonia GTZ Project „Advisory services in the Association process with EU“.
Level in national or international classification	Training course
Dates	10 – 11 October, 2006
Title of qualification awarded	/
Principal subjects/occupational skills covered	Implementing suppliers’ declaration of conformity as contained in EN ISO/IEC 17050-1 and -2
Name and type of organisation providing education and training	CARDS 2002 – Regional Quality Infrastructure Project, HOT 15 European Committee for Standardization – CEN
Level in national or international classification	Training course
Dates	19 – 20 February, 2007
Title of qualification awarded	/
Principal subjects/occupational skills covered	Procurement Training For REPARIS Project
Name and type of organisation providing education and training	World Bank, World Bank office in Skopje
Level in national or international classification	Training course
Dates	04 – 05 October, 2007
Title of qualification awarded	/
Principal subjects/occupational skills covered	Technical assistance for market surveillance: Implementation of the Low voltage directive (LVD), from law frame through organization to practical implementation in Holland
Name and type of organisation providing education and training	Project: Technical assistance for market surveillance, European Agency for Reconstruction
Level in national or international classification	Seminar
Dates	07-10 April, 2008
Title of qualification awarded	/
Principal subjects/occupational skills covered	Data management software
Name and type of organisation providing education and	CARDS 2006 – Regional Quality Infrastructure Project, regional hands-on training, HOT 3

training	Spanish Association for Standardization and Certification - AENOR
Level in national or international classification	Training course
Dates	22-27 September, 2008
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	ISO 90001 – Quality management system
Name and type of organisation providing education and training	IIS – Research and Technology Center, Novi Sad
Level in national or international classification	Training course
Dates	03-04 March, 2009
Title of qualification awarded	/
Principal subjects/occupational skills covered	Affiliates Info Days on the European Standardization Process
Name and type of organisation providing education and training	TAIEX (Technical Assistance Information Exchange Instrument of the European Commission)
Level in national or international classification	Seminar
Dates	17-20 June, 2009
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	ISO/IEC 27001 – Information Security Management Systems
Name and type of organisation providing education and training	IIS - Research and Technology Center, Novi Sad in cooperation with ISRM
Level in national or international classification	Training course
Dates	01-02 December, 2009
Title of qualification awarded	/
Principal subjects/occupational skills covered	Standardisation – last development and new outlook in this sphere with perspectives to be expected in the forthcoming years from the point of view of the Czech Republic and Western Balkan countries
Name and type of organisation providing education and training	Czech Office for standardization, metrology and testing in cooperation with the Ministry of Economy and regional development in Serbia within the “Technical Assistance of the Czech Republic to the state administration of the Western Balkan countries in the field of Standardisation and Technical Standards” Project
Level in national or international classification	Seminar
Dates	24-26 February, 2010
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	ISO/IEC 27001, Information Security Management Systems
Name and type of organisation providing education and	ISO (International Organization for Standardization) in cooperation with the Romanian Standards Association- ASRO

training	
Level in national or international classification	Seminar
Dates	12-13 April, 2010
Title of qualification awarded	/
Principal subjects/occupational skills covered	Workshop on Participation of ISRM Technical Committees in the work of CEN/CENELEC Technical Committees
Name and type of organisation providing education and training	TAIEX in cooperation with Standardization Institute of the Republic of Macedonia
Level in national or international classification	Workshop
Dates	06-08 July, 2010
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Further training of secretaries and chairs of Technical Committees at National Standards Bodies
Name and type of organisation providing education and training	British Standards Institution in cooperation with European Committee for Standardization, IPA 2008 Regional Project
Level in national or international classification	Training course
Dates	11-12 November, 2010
Title of qualification awarded	/
Principal subjects/occupational skills covered	Workshop on CE mark - your product on the EU market
Name and type of organisation providing education and training	TAIEX in cooperation with Standardization Institute of the Republic of Macedonia
Level in national or international classification	Workshop
Dates	14-16 December, 2010
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	EN ISO 9001 :2008 Quality Management Training Course
Name and type of organisation providing education and training	Technical Assistance for Capacity building of the Institute of Standardization (ISRM), EU/AFNOR
Level in national or international classification	Training Course
Dates	23-25 February, 2011
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	Training Course on ISO/IEC 17021 Conformity assessment — Requirements for bodies providing audit and certification of management systems
Name and type of organisation providing education and training	Technical Assistance for Capacity building of the Institute of Standardization (ISRM), EU/AFNOR

Level in national or international classification	Training Course
Dates	03-05 May, 2011
Title of qualification awarded	Certificate of Attendance
Principal subjects/occupational skills covered	ISO 19011 :2008 Training of Internal Auditors
Name and type of organisation providing education and training	Technical Assistance for Capacity building of the Institute of Standardization (ISRM), EU/AFNOR
Level in national or international classification	Training Course
Dates	16-20 May, 2011
Title of qualification awarded	IRCA Certificate
Principal subjects/occupational skills covered	Quality Management Systems Auditor/Lead Auditor Training Course (Based on ISO 9001:2008)
Name and type of organisation providing education and training	NIGEL BAUER & ASSOCIATES
Level in national or international classification	Course and examination
Dates	29 May, 2012
Title of qualification awarded	/
Principal subjects/occupational skills covered	„Standards, quality and global competitiveness“
Name and type of organisation providing education and training	Standardization Institute of the Republic of Macedonia in cooperation with International Organization for Standardization
Level in national or international classification	Seminar

Dates	February 23-25, 2015
Title of qualification awarded	Certificate
Principal subjects/occupational skills covered	Practical Guide to contract procedures for EU external actions (PRAG)
Name and type of organisation providing education and training	GIZ Macedonia
Level in national or international classification	Workshop
	March 3-4, 2015
	Certificate
	Irregularities and Fraud
	GIZ Macedonia
	Workshop
	January 24-25, 2017
	Certificate
	Quality Management Systems ISO 9001:2015
	Technical Assistance for the capacity building of ISRM
	Seminar
	(26-31) January and February 1, 2017.
	IRCA Certificate
	Quality Management Systems Auditor/Lead Auditor Training Course (Based on ISO 9001:2015)
	TÜV NORD CERT GmbH
	Course and exam
	Standardization Institute of the Republic of Macedonia in cooperation with the International Organization for Standardization
	May 9, 2017
	Certificate
	Standardization and "CE" marking on doors and windows
	Technical Assistance for the capacity building of ISRM
	Seminar
