

Jean-Pierre Faisan

Board Member, Chair of Communications Working Group of Broadcast Networks Europe

Jean-Pierre Faisan has 38 years of experience in broadcasting and wireless communications, public affairs and regulatory work.

A graduate from Polytechnic school in Paris and Telecoms Paris Tech, he held a series of R&D, engineering and management positions, notably in TDF, a French broadcast network operator and tower company.

Since 2013 he is the founder and managing director of Leader Wave, an international consultancy on spectrum, broadcasting and wireless communications.

He sits at the Board of Broadcast Networks Europe since 2013 where he represents TDF.
